

MOONLIGHT DESIRES 'AT THE MOVIES' LYRICS

1. **Glory Of Love**

Tonight it's very clear as we're both lyin' here
There's so many things I want to say
I will always love you
I would never leave you alone
Sometimes I just forget, say things I might regret
It breaks my heart to see you cryin'
I don't want to lose you
I could never make it alone
I am a man who will fight for your honor
I'll be the hero you're dreamin' of
We'll live forever, knowin' together
That we did it all for the glory of love
You keep me standing tall, you help me through it all
I'm always strong when you're beside me
I have always needed you
I could never make it alone
I am a man who will fight for your honor
I'll be the hero you've been dreamin' of
We'll live forever, knowin' together
That we did it all for the glory of love
It's like a knight in shining armor from a long time ago
Just in time I will save the day
Take you to my castle far away
I am a man who will fight for your honor
I'll be the hero that you're dreamin' of
We're gonna live forever, knowin' together
That we did it all for the glory of love
We'll live forever, knowin' together
That we did it all for the glory of love

2. **Hungry Eyes**

I've been meaning to tell you
I've got this feelin' that won't subside
I look at you and I fantasize
You're mine and tonight
Now I've got you in my sights
With these hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I
I want to hold you so hear me out
I want to show you what love's all about
Darling tonight
Now I've got you in my sights
With these hungry eyes
One look at you and I can't disguise
I've got hungry eyes

I feel the magic between you and I
With these hungry eyes
Now I've got you in my sights
With these hungry eyes
Now did I take you by surprise
I need you to see
This love was meant to be
I've got hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I
I've got hungry eyes
Now I've got you in my sights
With the hungry eyes
Now did I take you by surprise?

3. The Goonies 'R' Good Enough

Here we are
Hanging on the strains of greed and blues
Break the chain then we break down
Oh it's nothing If you don't feel it
Unspoken expectations
Ideals you used to play with
They've finally taken shape for us.
Good enough
For you is
Good enough
For me
Is good enough
It's good enough for me
Yeah yeah yeah yeah yeah
Now you'll say
You're startin' to feel the push and pull
Of what could be and never can
You're merely stumblin' through those
Old fashioned superstitions
I find too hard to break
Oh maybe you're out of place
Good enough
For you is
Good enough
For me
Is good enough
It's good enough for me
Yeah yeah yeah yeah yeah
Old fashioned superstitions
I find too hard to break
Oh maybe you're out of place
Good enough
For you is
Good enough
For me

Is good enough
It's good enough for me
Yeah yeah yeah yeah yeah

4. Don't You Forget About Me

Won't you come see about me?
I'll be alone, dancing you know it baby
Tell me your troubles and doubts
Giving me everything inside and out and
Love's strange so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart, baby
Don't you, forget about me
Don't, don't, don't, don't
Don't you, forget about me
Will you stand above me?
Look my way, never love me
Rain keeps falling, rain keeps falling
Down, down, down
Will you recognize me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down, down
Hey, hey, hey, hey
Ooh woh
Don't you try and pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
Vanity and security
Don't you forget about me
I'll be alone, dancing you know it baby
Going to take you apart
I'll put us back together at heart, baby
Don't you, forget about me
Don't, don't, don't, don't
Don't you, forget about me
As you walk on by
Will you call my name?
As you walk on by
Will you call my name?
When you walk away
Or will you walk away?
Will you walk on by?
Come on, call my name
Will you call my name?
I say
(Lala la la lala la la)
Will you call my name?
As you walk on by
