

This Is Not A Drill

This is not a drill
I repeat: this is not a drill
Go to shelter down
Seek immediate shelter
This is your emergency broadcast system fucking you up
May God be with you
The following instructions are vital for your safety
Look out of your windows
Do not stay silent
Now go out and interact with everyone
God is with you
This is a false alarm
A wrong button was pushed
But we are now sure the system is working

Time To Let It Out

Time to let it out
Now that all is said and done
Time is running out
We'll perish, all as one
So we let it out
We fought, nobody won
Everybody's out
What else can you do but
Shout

Take The Money Give It To Me Now

Take the money give it to me now
Here's the money give it to me
Take the money give it to me now
I'm so fucking ready
Alright...
Easy...
You can kick me right in the balls
Nothing can hurt me
This is me running through the walls
Nothing can stop me
