

Dead Velvet

Lonely Wreck

I cut my eyelids off
So I could stay awake
I want to look death
Straight in the fucking face
Straight in the face

You like to party son
But you can't handle the taste
We came to drink your blood
And spit it back in your face

I cut my eyelids off
So I could stay awake
I want to look death
Straight in the fucking face

My bones crack in silence
This rope around my neck
I was born in violence
I am the lonely wreck

You talk a lot of shit
But you can't carry the weight
Your knees are shaking punk
Your back's about to break

I cut my eyelids off
So I could stay awake

I want to look death
Straight in the fucking face

My bones crack in silence
This rope around my neck
I was born in violence
I am the lonely wreck

Lonely wreck

I'm not sure
How much more
I can take
Is this fun
Or just for the sake?

My bones crack in silence
This rope around my neck
I was born in violence
I am the lonely fucking wreck

I am the last straw
I am the last straw
They'll all watch in awe
I am the chainsaw
I am the chainsaw
I am the chainsaw
I am the chainsaw
I am the chainsaw
