

## Marble Ghosts- The Greatest Divide

### **Distance Between- Length (3:38)**

#### Verse 1

Here we are in the greatest divide  
A world fallen prey to moral genocide  
The 1% sit on thrones of gold  
While the homeless die out in the cold

#### Chorus

The distance between  
Grows deeper  
Every step you take  
Take away from me

#### Verse 2

Protect an egg murder your fellow man  
Make a child birth another  
Deadname out of ignorance  
Deadname to question existence

#### Chorus

The distance between  
Grows deeper  
Every step you take  
Take away from me  
From me

#### Bridge

We are in the greatest divide  
We are  
In the greatest divide

#### Outro

Every step you take away  
Every step you take away  
Every step you take away  
Every step you take away  
Every step you take away

### **Eat the Rich- Length (4:16)**

#### Verse 1

Behind the gates they are safe  
Ruling over the human race

A dying shell is our fate  
While they jet off to outer space

Verse 2

Fingers bent caked with dirt  
Climb up kicked down again  
Work to eat not to live  
While they tell you to save and spend

Chorus

Eat the rich  
Eat the rich  
Strip  
Strip the flesh  
From their face

Verse 3

Stay together not for the kids  
But just to avoid the streets  
These four walls scream abuse  
But you can't leave until you pay their bills

Verse 4

Unconventional living space  
Gas-guzzling sun in your face  
Gainfully employed  
Get on your back for baby making joy

Chorus

Eat the rich  
Eat the rich  
Strip  
Strip the flesh  
From their face

Bridge

Eat (laughter)  
The rich (laughter)  
Eat  
The rich

Chorus

Eat the rich  
Eat the rich  
Strip  
Strip the flesh  
From their face

Outro  
The rich

### **Trafficked (The Devil Inside)- Length (4:19)**

Verse 1  
The emotions you put aside  
To deal with the devil by your door  
Makes you burn inside  
Sweet angel cannot fly  
They twist and turn your soul

Verse 2  
Until the will to live starts to hide  
Until you become their broken toy

Chorus  
Please child hold on tonight  
I will not let you go, my light  
You lost your god  
The devil inside  
Take you away  
But you fight

Verse 3  
They make you cry without any shame  
They are the ones that are to blame  
Hurt you once and hurt you twice  
We will find them until then

Chorus  
Please child hold on tonight  
I will not let you go, my light  
You lost your god  
The devil inside  
Take you away  
But you fight

Chorus  
Please child hold on tonight  
I will not let you go, my light  
You lost your god  
The devil inside  
Take you away  
But you fight

Outro  
Come home

Come home  
Come home  
Come home

### **Gloom- Length (4:24)**

#### Verse 1

They'll wake you from your beds  
You little sleep heads  
Misguided love lost  
The ultimate breach of trust

#### Verse 2

Restrained and pained  
Restrained and pained  
Restrained and pained  
Restrained and pained

#### Verse 3

Did they watch you get dragged on the floor  
Did they watch you pound on the car door  
Did they watch your childhood die  
Did they watch the hate in your eye

#### Chorus

You took your life  
All for good  
Good behaviour  
You took  
Took your life  
All for good  
Good behaviour

#### Verse 4

Learned to abuse  
Not to live

#### Verse 5

Did they watch you watched by pervert eyes  
Did they watch each and every cry  
Did they watch you run for your life  
Did they watch you close your eyes for the last time

#### Chorus

You took your life  
All for good  
Good behaviour  
You took

Took your life  
All for good  
Good behaviour

Bridge  
They'll wake you from your beds  
You little sleepy heads

Chorus X2  
You took your life  
All for good  
Good behaviour  
You took  
Took your life  
All for good  
Good behaviour

### **Osmium- Length (4:48)**

Verse 1  
You say we've come a long way  
But we are only going backwards  
Erase without a trace  
But they'll still be here

Verse 2  
God given and god forsaken  
You say just be happy with who you are  
You say you'll always love them  
But only if they are a perfect mirror

Chorus:  
Pray the gay away  
Pray  
You have to pray  
That they will stay

Verse 3  
Love thy neighbour and love thy son  
But if he bleeds she's not the one  
Grown up with fear and humour  
Where love only lived behind a wall

Chorus:  
Pray the gay away  
Pray

You have to pray  
That they will stay  
Pray  
The gay away

Outro  
You have to pray  
That they will stay  
Pray  
Pray  
Pray  
Pray  
Pray  
Pray  
That they will stay
